

**Request for Proposal
Inquiry # SX/4415
CIS Solution**

Sealed Proposals will be received from Vendors until **2:00 p.m., C.S.T., January 29, 2010** for:

Saskatchewan Crown Corporation, SaskEnergy Incorporated (SaskEnergy) is seeking a complete CIS Solution for replacement of their legacy customer information and utility billing system.

SaskEnergy's goal is to utilize "off the shelf", commercially available products. We seek products that will provide the overall "best of class" cost-effective solutions for our current situation as well as future considerations. It is SaskEnergy's intent to contract with a single vendor, individually or on behalf of a team of vendors, for both implementation services and on-going application hosting services for a period of 5 to 7 years under the initial contract.

Through the four strategic mandates that play a crucial role in business planning "Our Future", "Our Growth", "Our Service", and "Our People", SaskEnergy's vision is how:

"We create superior value through innovative Energy Solutions"

Those interested in submitting a proposal may obtain a copy of the documents by contacting:
